

NAMI National is happy to announce a Multicultural Leadership Conference to take place March 28-30 in St. Louis, MO beginning at 4pm on Friday and ending at 1pm on Sunday.

NAMI's 2007-2010 Strategic Plan identifies embracing and empowering leaders and members from diverse communities as one of its key strategies to move from good to great. This conference marks a step forward in NAMI's effort to become a diverse organization and to build and support its multicultural leadership. The conference offers NAMI state and affiliates an opportunity to learn, network, and share best practices in multicultural initiatives. Furthermore, it provides a platform to highlight and strengthen NAMI's multicultural leaders.

Based on input from NAMI's Multicultural Leaders Groups, we have identified 3 major focus areas for this conference:

- policy and advocacy
- cultural competence
- multicultural outreach planning and implementation

Most importantly, the conference will include a hands-on planning session where participants will develop and draft strategies to take back to their NAMI office.

Application Instructions:

Please contact your NAMI affiliate or state organization if you wish to apply. We are inviting NAMI state and affiliate offices with demonstrated commitment to multicultural inclusion to apply. Interested states and affiliates are asked to identify a delegation to represent them at the event. This is a competitive process in which delegations will be selected based on current capacity and/or commitment to diversity and inclusion. Particular attention will be given to applicant delegations that include members of NAMI's Multicultural Leaders Groups.

Interested state/affiliate offices need to:

1. Designate 2 people to represent them at the conference. Delegations need to be representative of the NAMI state/affiliate multicultural efforts. Ideal representatives include: multicultural state/affiliate leaders (BOD members, Consumer Council representatives, program leaders, etc.) and outreach/diversity staff. We also encourage participation from executive directors and/or BOD presidents.
2. Send a completed application form and letter of support from the NAMI state/affiliate board of directors to NAMI's Multicultural Action Center no later than January, 28th.

Travel Stipends

We are extremely pleased to offer each conference participant a travel stipend for the conference. The amount of the travel stipends will be allocated based on travel distance to the conference. The stipend will cover airfare costs and the cost of a shared hotel room for 2 nights. To allocate the travel dollars as widely as possible, we request that all participants share hotel rooms. We will assign you a roommate (preferably from your state) and will make your hotel reservation for you.

If you wish to have your own room, you may do so by covering half your room cost. We will still make your hotel reservation for you but we will instruct the hotel to charge half the room cost to NAMI and half to you.

Stipends do not include incidentals. Please note that several meals will be provided free of charge during the event (Friday dinner, Saturday breakfast and lunch, and Sunday breakfast).

Without exceptions, stipends for air travel will be mailed to NAMI offices which will be in charge of making all travel arrangements for their delegates.

All applicants will be notified by February, 8th

If your delegation is selected to attend, the designated contact person will receive the registration forms, a questionnaire to be filled out by all attendees, and additional information related to the conference (hotel information, preliminary agenda, etc). Stipends will be sent to the NAMI state/affiliate offices after we receive the completed registration forms and questionnaires.

Additional requirements:

1. All applicants must be NAMI members.
2. All delegations must submit a one-page report on the delegation's experience at the Conference within 2 weeks of the conclusion of the conference. This report is your opportunity to give us feedback on any aspect of the convention and should include how the NAMI office plans to use the information learned and the strategies drafted by the delegation during the conference.

If you have any questions about the Multicultural Leadership Conference, please email Majose@nami.org.

Applications and letters of support are due January 28th.
Awards will be announced by February 8th.

Application Form

Please type or print clearly

For a Word format version of this application, please send your request to marin@nami.org

State/affiliate NAMI: _____

Contact: _____

Address: _____

Telephone: _____ **Fax:** _____

Email: _____

1) Does your NAMI state/affiliate office have a Strategic Plan? ___ Yes ___ No
If yes, does it include diversity, multicultural outreach, or cultural competence as a goal or objective? ___ Yes ___ No
If yes, what does it say?
